Am very happy to announce our recent alliance (Local Chapter) with SWAYAM (NPTEL). With this alliance all our students are eligible to enroll for value-added online certification programs. With the advent of internet and open education systems the world has become smaller. Knowledge is no longer restricted to large cities but in fact students across the globe are now availing benefits of connectivity. Our college is a leader in creating such opportunities for students and our alliance with SWAYAM (NPTEL) endorses our vision to ensure our students are able to avail world class education.

SWAYAM (NPTEL) offers world class certifications. These are practical programs designed by IIT. Our college and SWAYAM (NPTEL), now offer online certifications where students can understand what industry really wants. These programs act as a supplement to students core degree and give an edge in students career. Every student will get a certificate from SWAYAM SWAYAM (NPTEL). These programs are 3, 6 months programs and are designed in way where students can elect one program every semester.
