N B Kodam (HoD-BCS) & Mrs. R V Hundekari (HoD BCA) extended a warm welcome to the resource person and all the teachers who were present. After this, the resource person was felicitated. Dr. Dargopatil the resource person thanked the department for inviting him to this session. The first thing he did was share his experience with the institute from the day he joined. He explained how happy he was to work in an institute, which focuses on overall development of students & teachers and continuously practices transparency & ethical code of conduct. Furthermore, he mentioned that he was also sad today because he will soon be retiring from the institute within 2-3 months. In his speech, he reiterated the mission of the Institute to contribute to the society through the pursuit of education, learning, and research at the highest levels of excellence. He also mentioned how noble teaching profession is and we should be proud that we are a part of it.

He also stressed that, joining a new college can be challenging for both new teachers and students. There is nothing more exciting than imagining the year ahead for new staff, but at the same time, it can be overwhelming for some. The new things they need to learn range from code of conduct, work culture to curriculum. He rightly mentioned that, implementation of a well-designed teacher induction program can ease the transition for new teachers, giving them the time, support, and relationships that they need to be successful in their new positions. For teachers to feel confident and settle in they need to know about the systems and processes

that govern the workplace, as well as college norms; however, it's important to keep in mind the pace at which it occurs.

His discussion was more of a two-way interaction and therefore all the teachers enjoyed a lot. He also motivated the staff to follow the principle of "Work is Worship" because work done in the spirit of service is the highest form of worship. Mrs. R V Hundekari (HoD-BCA) summarized the entire session and thanked the resource person for the valuable knowledge and motivation. The program concluded with refreshments.
