Rtn. Swati Herkal
District Governor

Dear Rotaractors of Rotary District 3132,
Warm greetings to all of you!

As the Rotary District Governor, I am delighted to connect with the vibrant and dedicated Rotaract community within our district. Your energy, enthusiasm, and commitment to service are truly inspiring, and I am proud to witness the incredible impact you are making in our communities.

Rotaract is a powerful platform that enables young leaders like yourselves to create positive change and contribute to the betterment of society. Your passion for service, coupled with your innovative ideas and untiring dedication, is a proof to the incredible potential within each one of you.

As we move forward, I want to emphasize the importance of collaboration and synergy among our Rotaract clubs. Together, we can achieve far greater impact than we can individually. By sharing our resources, knowledge, and experiences, we can amplify our efforts and create a lasting difference in the lives of those we serve.

In Rotary District 3132, we strive to uphold the values of Rotary, emphasizing integrity, diversity, and service above self. I encourage you all to embrace these principles in every aspect of your Rotaract journey. Let us be role models, not only in our service projects but also in our interactions with others, demonstrating the true spirit of Rotary.

As Rotaractors, you are the leaders of today and tomorrow. I urge you to take full advantage of the opportunities that Rotaract offers for personal growth and development. Engage in leadership training programs, attend Rotary conferences and seminars, and connect with Rotarians who can mentor and guide you along your path. Your growth as individuals will enable you to make an even greater impact on the world around you.

Swati Herkal
Rotary District Governor
Rotary District 3132

Rtr. Rtn. Ravi Bhakkad District Rotaract Representative

Namaste Rotaractors,

Rotaract's primary objective is to develop leaders. This is an amazing community that aims to provide an enabling environment for young adults to test their ideas, share meaningful insights, and make an impact on society. Taking over as District Rotaract Representative of District 3132 in Rotary Year 2023-24 is an honour for me. I believe it will make a significant contribution to both my personal and professional life. Today, when I reflect on the time I spent preparing, I am overjoyed. My journey has been a source of reflection, filled with the unlearning of old habits and the adoption of new ones. The journey was difficult, but it now appears to have been worthwhile. During this time, I had the opportunity to share my ideas with some of the brightest minds in Rotaract, Rotary, and numerous other. This opportunity not only helped me sharpen my mind, but it also led me to discover the heart of Rotary in order to understand its significance to us. However, as our founding father, Paul Harris, once said, "whatever Rotary means to anyone in this world, it will always be known by the results it achieves. The theme for our district "Go Beyond Boundaries" serves as an inspiring call to action for us to expand horizons, surpass limitations, and explore new frontiers. And as RI President, McInally said "By continuing what we do best, by remaining open and willing to change, and by keeping our focus on building peace in the world and within ourselves, Rotary helps create a more peaceful world – a more hopeful world."

Let us Go Beyond Boundaries to Create Hope in the World.

All the best to each one of you.

Yours in Rotaract,

Rtr. Rtn. Ravi Bhakkad

"आपण अश्या समाजामध्ये जन्म घेतलो आहोत जिथे आपण समाजाचे देणं लागतो" लहानपणा पासूनच समाजकार्याची आवड जोपासत विशेषतः नेतृत्वा ची आवड असल्याने वेगवेगळ्या सामाजिक संस्था ना मी जोडले गेले परंतु स्वतःच्या व्यक्तिमत्व विकासात भर घालणारे मोजकेच संस्था कार्यरत असतात त्यातील एक म्हणजे रोट्रॅक्ट क्लब ऑफ संगमेश्वर.

गेल्या 2 ते 3 वर्षात बरेच उपक्रम राबवत असताना कुठेतरी आपण आपल्यासाठी वेळ देणं विसरून जातो. येत्या वर्षामध्ये काही उपक्रम हे आपल्या स्वतः साठी म्हणजेच सर्व रोट्रॅक्टर्स साठी स्वतः च्या आत्मविश्वास व व्यक्तिमत्व विकासात भर पडण्यासाठी घेण्याचा माझा मानस आहे. त्याचबरोबर आपल्या सर्वांगीण विकासासोबतच आपल्या आजूबाजूच्या परिसरातील विद्यार्थ्यांना देखील त्यामध्ये सहभागी करून घेण्याचा निश्चय.

पुढील वर्षातील अनेक उपक्रमां मधील काही मुख्य उपक्रमांचा तपशील :-

- 1) रोटरी क्लब ऑफ सोलापूर नॉर्थ चे अध्यक्ष रो मल्लिकार्जुन आष्टगी सर व आमच्या मार्गदर्शिका रो पूनम देवदास मॅम यांच्या संकल्पनेतून अविरत उपक्रमास प्रारंभ (प्रत्येक व्यक्ती कडून किमान 100/- मिळवणे)
- 2) समाजात आपल्या सारखेच ज्यांना ह्या समाजात वावरण्याच्या अधिकार असून देखील त्यांची गणना आपल्या सोबत केली जात नाही असे तृतीयपंथी च्या शिक्षणासाठी किंवा फक्त त्याच्यासाठी च शैक्षणिक दृष्टीने उपक्रम करण्याचा मानस.
- 3) माझ्यासारखे च अनेक विद्यार्थ्यांना त्याच बरोबर ज्यांना स्वतः च्या व्यक्तिमत्व विकासासोबतच समाजकार्य ची आवड जोपसणाऱ्या प्रत्येकाला क्लब मध्ये सहभागी करून घेऊ.

Greetings to all the Readers,

My journey in Rotaract is not that long. I've completed just 2 years in this NGO and this is my 3rd going on. During the first 2 years I served as an editor in the club, this year I wish to be just the member, and allow other rotaractors to be the torch bearer for the post of Editor. This post has taught me a few very important life lessons:

1. Always see your work from a 3rd person's view, that allows you to draw errors from it and make your work even better.
2. Accepting and mending the faults, may it be in you or in your creatives, helps make your life and your creatives even more charismatic !! By this I learned to Embrace the change !!

Getting an opportunity to work as an Editor and in Team Bulletin in the club is in itself a great achievement for anyone !!

Thank You,

Labdhee Shah

Rotaract CLUB OF
SANGAMESHWAR

Tejomay- Tej (तेज)- light, may (मय)- full of; project tejomay leads to the path full of light.

Tejomay is an initiative by a 3 year old club, Rotaract club of Sangameshwar of district 3132, for the students of secondary school.

Project 'Tejomay - Addiction Awareness Campaign' is our flagship project and was commenced in RIY 2022-23. Our project imparts in the students awareness regarding

side effects of harmful additives like tobacco, alcohol, cigarette etc. Project is conducted on two levels so that the knowledge given to the 'To-Be Responsible Citizens of India' is imparted properly in their brains and thus they remember it and also implement in their life.

Part 1: Information is well remembered and retained when grasped by almost all the sense organs, so keeping this in mind, 1st round is conducted by showing PPT presentation. Small video clips are presented to keep the interest intact and make the difficult topics easy to grasp. Along with side effects of the additives, the ingredients used in it, the penalty fined on its consumption, etc are explained in a way that is easy to understand for the schoolers.

Healthy Substitutes such as good addictions like reading, workout, networking etc are also imbibed in their minds.

Part 1 :Awareness Round

Part 2: Elocution Round

Part 2: After about a week, in the same school elocution competition is conducted for the students on their take-aways or learning they had from our awareness session. This level not only helps children to recall and remember the given information for lifelong period but also enables them to develop stage confidence and put up their views in front of others in a better way and also get an edge over others.

This Thoughtful 'Tejomay' project not only helps the school children but also blooms the leadership skills in Rotaractors. Our President Rtr. Sanjana Nagtilak says, "For each school, the project chair is different and all the arrangements from beginning to end are done by that particular rotaractor." "The judges in the elocution round are the rotaractors, this enables them to brush up their analytical skills" adds up our Secretary Rtr. Bhushan Harwalkar.

Participation Certificates for the participants

Rotaract Club of Sangameshwar is an institutional based club. Our team has reached up to 5 schools and over 1,000 + students have been benefited from it. Per project cost is ₹ 5,000. Students are given participation certificates, winners are awarded with certificates and are also encouraged with medals and cash prize worth ₹ 1,000 first ranker, ₹ 700 second ranker and ₹ 500 third ranker. Our heartfelt gratitude to our Parent Rotarian Mrs. Poonam Deodas Ma'am for being our strongest support system and a connecting link between Rotaract and Sponsor for such a wonderful project.

Perks of Participating in Competition

In one of our sessions, a 6 grade student sobbingly shared his own experience, "Daily, I see my mom and my aunt suffering as victims of domestic violence by their spouse who is intoxicated and addicted to such things and hear them plead us to save them from such a living hell. Now on, I pledge to never take, consume or even touch such products and keep the women of my home safe and not let them experience living hell on this Planet Earth".

Enlightened Children ready to change, and build a better Future

Soon, roots of Project 'Tejomay' will spread faster and many children will save not only their lives but also lives of people around them. Saying strong NO to such 'Short Term Pleasure Givers, but Long-Term Pain Givers' is always a wise idea and indeed has tons of benefits.

Society changes when the blooming citizens are willing to change !!
