### **“Y-20Solapur Summit” Report:**

The Group of Twenty (G20) is the premier forum for international economic cooperation. It plays an important role in shaping and strengthening global architecture and governance on all major international economic issues. The G20 was founded in 1999 after the Asian financial crisis as a forum for the Finance Ministers and Central Bank Governors to discuss global economic and financial issues. India holds the Presidency of the G20 from 1 December 2022 to 30 November 2023. Youth 20 (Y20) is an official consultation forum for youth from all G20 member countries to be able to dialogue with each other. As a part of this, the youth of our nation are participating in this mega event. As our Hon. Prime Minister has repeatedly stated, " वासुदेव कुटुंबमकम्" is an integral part of Indian Philosophy as it imparts a sense of oneness to our common humanity, our common development goals, and our common quest for a rule-based global order and international peace.

Of the 1172 colleges in Maharashtra, only 36 colleges from various districts are invited to host Y20 summit and Sangameshwar College (Autonomous), Solapur is the only college from Solapur District that hosted this mega event. In order to familiarize students with the G20 groupings and how they operate as a whole, it was stated that all higher education institutions (HEIs) in the state of Maharashtra would conduct massive awareness campaigns. The primary goal of the Y20 event is to give young people a platform on which to voice their concerns about problems in the current or contemporary society.

**Dr. Umesh Kakade Joint Director, Department of Higher Education, Solapur Region** in his address explained the importance of Y-20 Solapur Summit.

**District Youth Officer: Shri. Ajit Kumar** explained the importance & necessity of good leadership to India on the global front.
